*** Note:**

- Fees are not subject to value added tax. Particularly for electricity fees, electricity fees of transactions subject to VAT will be subject to VAT, and fees of transactions that are not subject to VAT are also not subject to VAT.

- In case the credit service/package/program has its own set of credit service fees, the Branch shall comply with the provisions in the credit product/package/program

(1) - Applicable to cases where customers actively pay debts ahead of time compared to the repayment schedule specified in the credit contract but VRB does not want it;

- Early repayment fee is collected according to the regulations in the case of credit or VRB's regulations at the time the customer pays the debt before the due date;

- For fees with a set margin, the branch actively negotiates and decides to apply it to each specific customer group and object.
